

Resveratrol WineTime Bar Stars at The Emmys

Rancho Santa Fe, Calif, CA -- Aug 31, 2010 / (<http://www.myprgenie.com>) -- The Resveratrol WineTime Bar made a star appearance at Sunday night's Emmy Awards. Host Jimmy Fallon and outstanding lead actress in a drama, Kyra Sedgwick, were among celebrities who had the opportunity to toast their success and good health with samples of the award-winning gourmet chocolate nutrition bar.

Other Emmy nominees and attendees who found a WineTime Bar in their rooms at the prestigious Montage Hotel included Jennifer Love Hewitt, Brenda Vaccaro, Cindy Margolis, Kevin Bacon, Kathy Lee Gifford, Steve Edwards, Rob Thomas, Lacey Chabert, Anna Paquin, Alexander Skarsgard, Nina Dobrev, Beau Bridges, Anne Heche, Ryan Kwanten, Todd Lowe, Natasha Alam and Joe Manganiello.

The WineTime Bar is the first and only nutrition bar containing the highly-acclaimed anti-aging antioxidant resveratrol, which is found in the skin of red grapes. Resveratrol soared in popularity after positive coverage on major TV shows such as "60 Minutes," "Oprah," and a Barbara Walters special. The aptly-named WineTime Bar, a rich dark chocolate and fruit bar harmonized with dates and almonds, contains more resveratrol than 50 glasses of red wine.

High in fiber and low in calories the bar includes seven extra "super fruits"-noni, pomegranate, goji, acai, Mangosteen and blueberry. It is gluten and dairy free and contains no transfat, hydrogenated oils or high fructose corn syrup; no artificial flavors, sweeteners, colors or preservatives; and no cholesterol.

Earlier this year the WineTime Bar was presented during Academy Award season to Oscar winners Sandra Bullock, Jeff Bridges and Mo'Nique among other big-name celebrities. The bar itself won a New Product Bronze Award at the San Francisco International Chocolate Salon.

Malcolm Nicholl, president and CEO of ResVez, Inc. the company that developed and markets the WineTme Bar, "The WineTime Bar has star appeal and we appreciated the opportunity to showcase its talents to the Hollywood elite. We have been getting rave reviews form celebrity chefs, wine critics, nutritionists, retailers and most important of all-repeat customers."

About ResVez, Inc.

ResVez, Inc. is a company focused on the creation and distribution of a line of functional food bars that have health benefits-"bars for a reason." The Resveratrol WineTime Bar was the first to be launched. For more information, please visit: www.wintimebar.com
